# Vertiv™ Geist™ Environmental Sensors

## Overview

Environmental factors like heat, humidity and moisture pose a severe threat to mission-critical infrastructure. These dangers can be minimized by incorporating a network of environmental sensors to collect data and alert users of potential threats. Adding optional sensors to a Vertiv™ Geist™ Environmental Monitor or Rack Power Distribution Unit (rPDU) allows users to observe conditions from a secure Web interface and receive alerts via Email, SNMP, or Email-to-SMS.

### Benefits

- View real time sensor data from a secure web interface.

- Receive alerts when a threshold is breached to ensure out-of-range conditions are addressed before resulting in downtime.

- Strategically monitor data center, server room and network closet environments to protect critical infrastructure.

- Simple installation and configuration on Vertiv Geist Environmental Monitors and rPDUs.

## FS-15

0-5VDC conductivity based flood sensor used to detect the presence of water. Includes a 15ft / 4.5m cable.

**Part Number:** FS-15

**Category:** Accessories

**Sub-Category:** External Sensor

### Specifications and Options:

| | |
|---|---|
| **Remote Sensor Type** | Water |
| **Connection Interface** | Dry Contact (NO) |
| **Cable Length** | 15ft / 4.5m |
| **Product Warranty** | 5-year limited warranty if registered within 120 days of purchase, otherwise warranty defaults to 3 years |
| **Certification/ Agency Approvals** | RoHS Compliant |
