

YOGA 6 (13", 7)

Sustainably amazing.

Thin, light and framed by the comfort edge of the Lenovo Yoga 6 is both portable and comfortable to use. Add into that our commitment to sustainability, and we have the perfect on-the-go product for throwing in your bag and taking anywhere.

WHY YOU SHOULD BUY THE LENOVO YOGA 6 (13", 7)

Curved comfort, thoughtful design

Brandish curved elegance in a 13" thin, light and sustainable package. The Yoga 6 convertible is framed by curved edges that allows for comfortable ease of use and increased portability. The choice of stain-resistant fabric or aluminum on the top cover made from recycled materials is yours to make.

Spellbinding display, Immersive audio

Bring big-screen cinema to life with Dolby Vision® on the breathtaking 16:10 FHD display with 100% sRGB for color accuracy paired with immersive Dolby Atmos® optimized on front-firing speakers.

Thinking ahead with sustainability in mind

Sustainability built-in with the new fabric top design made up of 50% recycled plastic or recycled aluminum, and responsibly sourced packaging material with ENERGY STAR® and EPEAT™ Silver certification, you can rest assured you've made the right call with the Yoga 6.

Smart things come in small packages

Ease of use comes in many forms, the Yoga 6 is packed with smart features like the FHD IR Hybrid webcam with privacy shutter, for easy and secure facial recognition or better video calls, day-to-night battery life with rapid charge to keep you up and running, and additional ports including an HDMI™ and MicroSD Card reader keeping you dongle free.

Ultimate performance. Uncompromised battery life.

Inspiration doesn't wait for you to sit at a desk. When you need to get the job done on a laptop, AMD Ryzen™ 5000 Series Mobile Processors, built on industry-leading 7 nm technology, enable hyper-efficient battery life while delivering ultra-fast performance, thanks to up-to 8 powerful cores.

GREEN CERTIFICATIONS

- ENERGY STAR®
- EPEAT™ Silver

¹ All battery life claims are approximate and based on two methods of testing: MobileMark® 2018 battery life benchmark and continuous 1080p video playback on the latest update of Windows 11 (with 150 nits brightness and default volume level). Actual battery life will vary and depends on many factors such as product configuration and usage, software use, wireless functionality, power management settings, and screen brightness. The maximum capacity of the battery will decrease with time and use.

² Local video playback @ FHD 150 nits.

³ Available in select regions.

⁴ The actual transfer speed of the USB 3.2 will vary and, depending on many factors, such as the processing capability of host and peripheral devices, file attributes and other factors related to system configuration and your operating environments, will be slower than a speed of 20 Gbit/s.

LENOVO SERVICES

Lenovo Premium Care Plus^{*}

The ultimate PC support experience, with you as our priority 24/7. Enjoy personalized hardware and software support from a global network of elite technicians, along with accidental damage protection, extended battery warranty support, and smart performance solutions that ensure optimized PC performance and security.

Lenovo Smart Performance

Smart Performance Services within Lenovo Vantage will keep your system running at optimum performance and proactively fix issues that affect PC performance, internet performance, remove malware, and improve device security.

Lenovo Accidental Damage Protection

Avoid the hassles of unexpected damage & repair costs. With coverage for drops, spills, electric surges, and broken LCD screens, accidental damage protection makes it easy to repair to your PCs and ensures your device is up and running fast.

Lenovo Smart Privacy Services

Smart Privacy Services within Lenovo Vantage puts you in control of your privacy with an intelligent software that makes your browsing experience more private by blocking 3rd party web trackers, secures your online accounts, encrypts your Wi-Fi connection, monitors your information for exposure in organizational data breaches, and removes your profiled data from select sites found on the internet.

Lenovo Sealed Battery Warranty

Long-lasting battery life is not just a feature but a necessity to help you stay productive and connected all day long. Protect your PC's sealed battery from degradation, enjoy hassle-free battery replacement service, and safeguard your PC from future battery failure with our Sealed Battery Warranty Service.

Lenovo Warranty Extensions (Up to 3 Years Duration)

Gain complete peace of mind by extending your base warranty to up to 3 years and minimize unexpected repair costs.

* Launching in March 2022 in US, Canada, and AP English markets.

LENOVO CO₂ OFFSET SERVICES

Now give back to the environment in a tangible way! Lenovo CO₂ Offset Service gives you a simple and transparent way to offset carbon emissions and help the environment by supporting one of several United Nations Climate Action projects, including those that help to improve renewable energy, reduce air pollution, or enhance safe waste disposal, all of this at just the click of a button.
