

A mini-PC designed specifically for video conference room systems

Yealink MCore Pro is a Mini-PC specially designed for Yealink conference room systems. It uses the Intel Core 11th generation i5 processor with excellent performance, providing powerful data processing capabilities for conference room systems. MCore Pro has three built-in HDMI video output interfaces, which support the simultaneous display of three screens to provide a diverse video conferencing experience. Use the TPM 2.0 with the Intel vPro Platform* to keep your data secure. The automatic wake-up screen feature supported by CEC allows you to enjoy the convenient experience by one touch. In addition, the built-in security slot of the MCore Pro can provide you with a simple and reliable deployment experience.

- Intel Core 11th i5 processor
- 3x HDMI out
- Support TPM2.0
- Support vPro Platform *
- Support CEC
- Built-in security slot
