DataTraveler® Generation 4

USB 3.0 in a colourful design.

Kingston's DataTraveler® Generation 4 (DTIG4) USB Flash drive features USB 3.0 for quick and easy transfers of music, video and more. Its practical design and fashionable colours make it ideal for everyday use at work, home, school or wherever you need to take your data.

It's backwards compatible with existing USB 2.0 ports, allowing 2.0 users to migrate to 3.0 in the future without replacing their drive.

DTIG4 is available in capacities of up to 128GB[1] and is backed by a five-year warranty, free technical support and legendary Kingston® reliability.

› Available in multiple colours by capacity

› Large, colourful loop easily attaches to key rings

› Practical cap protects the USB plug and your data

› Customisable with your logo and/or digital files

DataTraveler® Generation 4

FEATURES/BENEFITS

> **Small and compact** — The lightweight storage solution that's easy to take with you.

> **Convenient** — For the ultimate in portability, DataTraveler G4 features a large, colourful loop that easily attaches to most key rings, so you'll never lose your drive.

> **Range of capacities** — Multiple capacities[1] and multiple colours let you choose the right drive for your needs.

> **Dual compatibility** — Kingston's DataTraveler Generation 4 (DTIG4) USB Flash drives are backwards compatible with existing USB 2.0 ports, allowing 2.0 users to migrate to 3.0 in the future without replacing their drives.
