

## C-XLQM/XLQF

XLR Quad Cable

Kramer's XLQ cables are quad style professional-grade mic or line level audio cables. 4-core star quad cables with mutually offsetting twisting technology can reduce induction noise levels to 10% of that in regular two-pair balanced microphone cable

### FEATURES

**Quality Construction** - The fourconductor quad style arrangement cancels electromagnetically induced noise from fluorescent lighting ballasts and AC power transformers

**Super Flexibility** - Large numbers of thin bare copper wire strands in both the conductors and shield produce a highly flexible cable

**Special XLPE Insulation** - Excellent electrical characteristics and no shrinkback during soldering. Handsoldered premium XLR connectors

**Varied Selection of Lengths** - Available in versions of 0.3 to 45.7m (1, 1.5, 3, 6, 10, 15, 25, 35, 50, 75, 100, 125 and 150ft)
