

Zebra 10" Docking Station Kit

Comes with a dock to hold your tablet, full port replication, and a power supply to keep it charge

Hold your 10" ET50/55 tablet in place

Spring loaded hinges and dual locking latches make sure your tablet is kept in place. The steel and composite design reduces overall weight and offers rugged construction for durability.

Power supply and full port replication included

The kit features its own power supply by Lind. You have the option of either auto power, 12-32 VDC isolated power, or 20-60 VDC isolated power. It also has port replications for ethernet RJ45, USB, HDMI, and power input.

Weight: 2.6 lbs (1.18 kg)

Dimensions: 10" (25.4 cm) x 10" (25.4 cm) x 3.35" (8.5 cm)

Port replication
