# XEROX<sup>®</sup> VERSALINK<sup>®</sup> COLOR PRINTER AND COLOR MULTIFUNCTION PRINTER

High-performance productivity—personalized.

# C 5 0 0 / C 5 0 5

# Xerox® VersaLink® C500 Color Printer and Xerox® VersaLink® C505 Color Multifunction Printer

Designed for fast-paced workteams, the VersaLink C500 Color Printer and C505 Color Multifunction Printer deliver a higher level of reliable performance. Cloud connected, mobile ready, app-enabled, and easy to customize, the C500 and C505 are your modern workplace assistants helping you excel today and stay ready for the future.

#### POWERFUL, RELIABLE, SECURE.

Right out of the box, you'll count on your VersaLink C500 or C505 to consistently and flawlessly perform the tasks that make your business work more efficiently. From IT-free installation wizards, to step-by-step configuration options, you're ready to go—hassle free.

Completely re-engineered for superior reliability, the VersaLink C500 and C505 feature a new hardware design with fewer moving parts, and a more advanced Hi-Q LED print head.

VersaLink devices are loaded with features and time-saving Xerox technologies designed to speed up information sharing and reduce inefficient workflows. Ensure information accuracy with Scan and Fax preview<sup>1</sup>, and do more with scanned documents with built-in optical character recognition (OCR)<sup>1</sup>.

When it comes to safeguarding critical information, VersaLink devices deliver a spectrum of stringent security features, including Secure Print and card authentication to control access.

Count on superior print quality to make your work look its best. A print resolution of up to 1200 x 2400 dpi delivers sharp text and fine line detail, plus exceptional color vibrancy.

### EASY, EFFICIENT AND ENTIRELY NEW.

With the customizable, capacitive 7-inch color touchscreen (5-inch on the C500), you can tap, swipe and pinch your way through tasks and functions with mobile-like ease.

Speed through tasks by saving common settings as presets for simple, single-touch job setup. With Simple ID, individual users and groups enter a user ID and password once, and then enjoy fast, secure, easy access to task-specific presets and commonly used apps on a personalized home screen.

## APP-BASED FLEXIBILITY AND MOBILE FREEDOM.

The VersaLink C500 Color Printer and VersaLink C505 Color Multifunction Printer give you the freedom to work where and how you want—with out-of-the-box connectivity to Google Drive<sup>™</sup>, Microsoft<sup>®</sup> OneDrive<sup>®</sup> and DropBox<sup>™</sup>, and access to additional options through the Xerox App Gallery.

The ability to connect and print from multiple devices is key for today's worker, and VersaLink devices meet the challenge with Apple<sup>®</sup> AirPrint<sup>®</sup>, Google Cloud Print<sup>™</sup>, Xerox<sup>®</sup> Print Service Plug-in for Android<sup>™</sup>, Near Field Communication (NFC) Tap-to-Pair and Mopria<sup>®</sup>, plus optional Wi-Fi and Wi-Fi Direct.

Learn more about why Xerox is the only choice for today's mobile professionals by visiting **www.xerox.com/mobile**.

<sup>1</sup> Scan Preview available for VersaLink C505 (S and X configurations); Fax Preview available for VersaLink C505/X only.

To learn more about VersaLink device features, go to **www.xerox.com/VersaLinkEG** 

## XEROX® CONNECTKEY® TECHNOLOGY—THE NEXUS OF YOUR COMPLETE PRODUCTIVITY ECOSYSTEM

From Xerox—the company that created the modern workplace—we present the next revolution in workplace productivity. With a consistent user experience across a wide range of devices, mobile and cloud connectivity and a growing library of apps to expand functionality, you'll work faster, better and smarter.

#### Intuitive User Experience

An entirely new—and yet entirely familiar way to interact that includes a tablet-like experience with gesture-based touchscreen controls and easy customization.

#### Mobile and Cloud Ready

Instant connectivity to cloud and mobile devices right from the user interface, with access to pre-loaded, cloud-hosted services that let you work where, when and how you want.

#### Benchmark Security

Full multi-level protection for both documents and data, ready to guard against and eliminate emerging threats and meet or exceed regulatory compliance.

#### **Enables Next Generation Services**

Work more efficiently and manage resources more effectively. Easy integration of Xerox® Managed Print Services enables remote monitoring of service delivery and consumables.

#### **Gateway to New Possibilities**

Instantly extend your capabilities with access to the Xerox App Gallery, featuring real-world apps designed to optimize digital workflows. Commission our network of partners to design innovative, businessspecific solutions.

Find out more about how you'll work smarter at **www.connectkey.com**.

- Xerox® VersaLink® C500 Color Printer Print.
- Xerox<sup>®</sup> VersaLink<sup>®</sup> C505 Color Multifunction Printer Print. Copy. Scan. Fax. Email.
- 1 500-sheet (C500) or 400-sheet (C505) output tray with tray-full sensor.
- **2 Card Reader Bay** for internal Card Reader/RFID Kit (C500 includes an internal card reader compartment located behind the touch screen).
- **3 Optional 250 GB Hard Drive** (standard with the C505/X) increases the capabilities of numerous app-based functions.
- - **4 A front-side USB port**<sup>2</sup> allows users to quickly print from or scan to<sup>3</sup> any standard USB memory device.
  - **5 150-sheet Bypass Tray** handles media sizes from 3 x 5 in. to 8.5 x 14 in./76.2 x 127 mm to 216 x 356 mm.
  - **6 Tray 1** handles up to 550 sheets with custom sizes of 3 x 7.5 in. to 8.5 x 14 in./76 x 190 mm to 216 x 356 mm.
  - 7 A 100-sheet Single-pass Duplex Automatic Document Feeder (DADF) scans two-sided originals for copy, scan and fax jobs.

- 8 The optional cabinet provides storage for toner cartridges and other supplies.
- 9 The High Capacity Feeder adds up to 2,000 sheets with standard sizes of 8.5 x 11 in. to 8.27 x 11.69 in./216 x 356 mm to 210 x 297 mm.
- **10** Add up to 4 additional 550-sheet paper trays that handle sizes from 3 x 7.5 in. to 8.5 x 14 in./ 76 x 190 mm to 216 x 356 mm (maximum of 2 additional trays with optional cabinet, maximum of 1 additional tray with High Capacity Feeder).

<sup>2</sup> USB ports can be disabled <sup>3</sup> VersaLink C505 only.

#### INTRODUCING TOUCHSCREEN SUPERIORITY.

Meet the industry's most advanced color touchscreen interface. Whether 7-inch (C505) or 5-inch (C500), it's a user experience that sets a higher standard for customization, personalization and versatility.

By presenting a familiar "mobile" experience—with support for gestural input and taskfocused apps that share a common look and feel—fewer steps are needed to complete even the most complex jobs.

A highly intuitive layout guides you through every task from start to finish, with a natural hierarchy placing critical functions near the top of the screen and commonly used options front and center. Don't like where a function or app is located? Customize the layout to make it yours.

This unmatched balance of hardware technology and software capability helps everyone who interacts with the VersaLink C500 Color Printer and VersaLink C505 Color Multifunction Printer get more work done, faster.

# Xerox<sup>®</sup> VersaLink<sup>®</sup> C500/C505

The VersaLink C500 Color Printer and C505 Color Multifunction Printer are built on

Xerox® ConnectKey® Technology. For more information, visit www.connectkey.com.
