

ICY BOX IB-AC653

Internal mounting frame for
2.5" HDD/SSD in a 3.5" Bay

Key features

- Fits into a standard 3.5" drive bay
- Supports 1x 2.5" HDD/SSD
- Metal material helps to release the heat of HDD/SSDs

Packing content

Mounting frame, screw set, manual

With minimal effort

If you want to upgrade your computer with the capacity and speed of a 2.5" SSD storage media, but only got a 3.5" bay the IB-AC653 is your solution. The mounting frame is easy to install and fits the needs of your 2.5" HDD/SSD.

Technical data

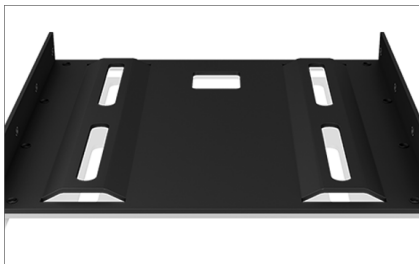

Model	IB-AC653
Article No.	60254
EAN code	4250078165842
Brand	ICY BOX
Colour	Black
Material	Steel
HDD/SSD Mounting	Supports 1x 2.5" HDD/SSD
Required space	1x 3.5"

ICY BOX **IB-AC653**

Internal Mounting frame for 2.5" HDD/SSD in a 3.5" Bay

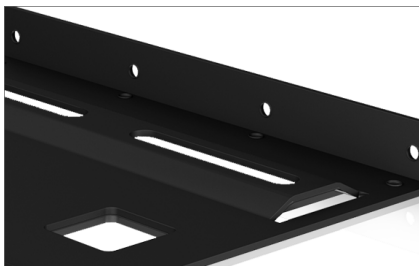

When the new technology takes its toll

...and you have particularly high demands on capacity and speed, then the IB-AC653 could be helpful. The practical metal frame ensures the proper storage of a HDD or SSD and requires only a free 3.5" bay.

Optimum storage

One of the main reasons for a lifetime shortening of hard disks is a strong heat exposure. This compact mounting frame protects in two ways: it is made of a heat-dissipating solid metal and leaves enough space for air circulation around and even above the installed hard disk.

Small and large

The variable screw mount on the bottom allows to install all common 2.5" HDD/SSD types.

Logistical data

Packing unit: 60 pcs./carton
Total weight: 7.2 kg/carton
Gross weight: (with packing): 0.114 kg
Net weight: 0.086 kg

Dimension/carton: 310x220x235 mm
Dimension (with packing): 110x105x173 mm
Dimension of article: 97x11x10 mm
Country of origin: China
