

HYDRA1

Single Monitor Mount with Articulating Arm

Hydra1 is an Articulating Single-Head Monitor Mount. Sleek and modern design combined with durable real-world ergonomic engineering makes up the DNA of the Hydra.

Have Hydra work for you to help reduce strain and stress by having your display at the right position customized for you. Work more effectively by freeing-up your valuable desk space. Dynamically rotate and pivot screens when working on different tasks or sharing your display with others.

Have the flexibility to create your own personal workspace with these dynamic features:

- Mount a Single 15-28" Flat or Curved Screen Monitor to a Desktop
- Also supports most 29" displays
- 360° monitor rotation, Landscape/Portrait
- Multiple Points of Articulation
- Attaches via Built-In Clamp
- Built-in Extension Arm Add 10" of Length, Increases Lateral Articulation
- Internal Cable Management
- Standard VESA 75x75 or 100x100
