i-tec Thunderbolt 3 Metal Docking Station for MacBook Pro 13" a 15" and MacBook Air 13.3" (2018), 1x HDMI 4K / 30 Hz, 1x Thunderbolt 3 (data, video a Power Delivery), 1x USB-C 3.1 (data), 1x SD card reader a 1x MicroSD card reader, 2x USB 3.0, Power Delivery 100W, macOS

PRODUCT DESCRIPTION

Expand your world of possibilities and don't limit yourself by a lack of ports on your new MacBook Pro! Having just a few Thunderbolt 3 ports and need to connect your favourite devices, external monitor or projector, or download data from your flash card? No problem! Although tiny in size, this docking station will provide you with all the connectivity you need when in office, or while on the go.

HDMI port can connect you seamlessly to external monitor, TV or projector, in up-to 4K (3840 x 2160 / 30Hz). MicroSD and SD card readers will come in handy when e.g. copying data/ photographs from your camera, smartphone or any other device. 1x Thunderbolt 3, 1x USB-C and 2x USB 3.0 (USB 3.1 / 3.0 / 2.0 compatible) ports are ready to connect all your favourite devices. Charging is also not a problem – just plug your charger into the charging port, and all is set! Thanks to the Daisy Chain technology (mutual chain-type connection), connect up to 5 additional Thunderbolt 3 devices (external storage devices, displays, devices for connecting PCIe cards etc.)

Our goal while designing this dock was to create a capable, highly reliable, and truly "handy" companion, which you may virtually carry in your pocket. It is quick and easy to set-up and with no external power supply or driver download, simply plug & play. Compared with other products in this class, this station is carefully proposed so that it precisely corresponded to the height of your laptop and to its USB-C ports, that's why it is high stable after connection; no outages of signals occur and USB-C ports of your laptop are not loaded.

Long product description: i-tec Thunderbolt 3 Metal Docking Station for MacBook Pro 13" a 15" and MacBook Air 13.3" (2018), 1x HDMI 4K / 30 Hz, 1x Thunderbolt 3 (data, video a Power Delivery), 1x USB-C 3.1 (data), 1x SD card reader a 1x MicroSD card reader, 2x USB 3.0, Power Delivery 100W, macOS

PRODUCT FEATURES

- 2x USB-C connector for connecting to the host device
- Power Delivery: up to 100W
- 1x Thunderbolt™3 port
  - Data
  - Video port
  - Power delivery
- Video port:
  - 1x HDMI
- Supported Resolutions:
  - 1 monitor – 1x HDMI → up to 4K/30Hz
  - 1 monitor – 1x Thunderbolt™3 → up to 4K/60Hz

- 2 monitors – 1x HDMI + 1x Thunderbolt™3 → up to 1x 4K/30Hz +1x 4K/60Hz
- 1x USB-C port gen. 1 (for data only)
- 2x USB 3.0 port
- 1x SD slot
- 1x microSD slot
- OS: Windows 10, macOS X (Sierra or later) with the latest updates
- Product dimensions: 134 x 41 x 9mm
- Product weight: 60g
- Package dimensions: 235 x 82 x 30mm
- Package weight: 100g

SYSTEM REQUIREMENTS Hardware requirements:

- Apple MacBook Pro 13" or 15" (2016 or later) and MacBook Air 13.3″ (2018 or later) with available 2x Thunderbolt™3 ports

Operating System:

- Windows 10, macOS X (Sierra or later) with the latest updates

SPECIFICATION

Part Number	Product Description & EAN
C31MBPADA	i-tec Thunderbolt 3 Metal Docking Station for Apple MacBook Pro/Air + Power Delivery EAN: 8595611702587
Hardware	
Bus type	USB-C, Thunderbolt-3
Ports/Connectors	
System Requirements	
Operating system	Windows 10 macOS X Windows 10 - Automatic installation of OS drivers. Other operating systems - manual driver installation. Firmware updates automatically.
Other features	
Colour	black
Housing Material	plastic
Product Dimensions	134 x 41 x 9 mm
Product Weight	60 g
Package Weight	100 g
Packaging Dimensions (LxWxH)	235 x 82 x 30 mm
Support	
Warranty period	2 years
Technical support	lifetime
