

DURASCAN® D700

Ergonomic, Elegant and Rugged

The D700 DuraScan is a durable 1D Bluetooth® barcode scanner that is built with a safe linear imager reader for the most commonly used barcodes. Designed for mobility and wireless scanning with long-range Bluetooth connection and enough battery to last two shifts. Strong and durable for warehouses, outdoor distribution and industrial manufacturing, the scanner's outer casing withstands multiple drops and tumbles for those tougher work environments. The D700's casing has an IP54 rating, withstanding dirt and water splashes to keep up with the job's demands. Even germs have trouble sticking to its antimicrobial material, making it a perfect pairing for the healthcare industry, featuring great ergonomics that fit perfectly in your hand for comfortable and extended use. Light and small enough to fit in your pocket. Ideal for field sales and field services.

Certified by Apple® for iOS devices (iPad®, iPhone®, iPod Touch® devices) and compatible with Android and Windows®

Features

- **Bluetooth Wireless Technology** - Compatible with iOS, Android and Windows devices with long-range Bluetooth connection of 330 feet (100m)
- **Certified by Apple® for iOS devices** - Guaranteed Compatibility - With our SDK integrated in over 700+ applications, Socket Mobile scanners are one of the most natively integrated scanners available today. Socket Mobile Scanners are also 100% compatible with any application out-of-the-box in HID (keyboard emulation) mode.
- **Compatible with all Android and Windows devices and applications**
- **Scanning** - 1D linear imager
- **Exceptional Ergonomics** - Small, light and fits perfectly in the hand for comfortable use over extended periods of time
- **Long Lasting Battery** - Power to last over 16 hours
- **User Indicators** - Intuitive LEDs, Bluetooth connection, battery level and scanning status
