

## SmartRack Side Panels with Key Locking Latches - for Tripp Lite SRX42UB Euro-Series Server Rack Cabinets

MODEL NUMBER: SRX42SIDEKIT

Locking steel panels attach to the sides of your SRX42UB server rack enclosure.

### Features

**Steel Side Panels for Installation on Your Tripp Lite Euro-Series SRX42UB Rack Cabinet** These SmartRack® side panels feature key-locking latches for securing your rack equipment against tampering and theft. Designed for Tripp Lite's standard-depth SRX42UB rack, these four panels can also be added to the side of an expansion cabinet (such as SR42UBEXP) when application needs have changed. You can also use them as replacements for existing side panels.

**Convert an Expansion Cabinet into a Cabinet with Side Panels** Tripp Lite's SR42UBEXP is an expansion cabinet designed to be bayed together with other cabinets. When needs change and the cabinets must be separated, add these heavy-duty steel panels to the sides of them to convert the racks into standard cabinets.

## Specifications

OVERVIEW	
UPC Code	037332221674
Accessory Type	Side Panel
Accessory Class	Rack Accessories
PHYSICAL	
Shipping Dimensions (hwd / cm)	11.00 x 84.99 x 93.98
