Safely transport your photography equipment, drones or game consoles with the TechPack, the bag that boasts cutting-edge design and a sleek exterior. Fully customizable padded dividers can be adjusted to suit your tech protection needs, and cushioned pockets protect your laptop and tablet. There's a built-in rain cover to keep your equipment safe from the elements, and removable straps will carry a tripod or larger accessories. Multiple pockets neatly store essentials, so you can have peace of mind that you've got everything you need to get your job done.

Key benefits

- Padded compartment holds up to a 14" laptop and a 10" tablet
- Fully customizable padded dividers adjust to protect your photography or tech equipment
- Built-in rain cover keeps equipment safe from the elements; a reflective screen print keeps the user safe
- Removable straps to carry any size tripod or larger accessories
- Side zippered pockets provide easy access to the interior
- Interior zippered mesh compartments
- Full opening allows for easy access to the main compartment
- Additional pockets for cords, phone, SD, Cards, battery packs, etc.
- Trolley Pass-Through sleeve
- Exterior attachments for tripod or other space consuming items
