i-tec Docking station bracket, for monitors with VESA mount

i-tec Docking station bracket, for
monitors with VESA mount

PRODUCT DESCRIPTION

An important element of a modern working environment is a comfortable, clean and efficient desktop. Through intelligent use of the VESA standard, you can now keep your desk better organised and tidier than before. By mounting the docking station on the rear of the monitor and managing the associated cables, we improve the working environment and comfort for the user, and enhance protection against theft.   This bracket can be ergonomically installed vertically or horizontally, based on your preference and/or monitor type. The holder is also compatible with the vast majority of monitor stands.   List of compatible docking stations:

- i-tec USB 3.0 / USB-C / Thunderbolt 3 Dual 4K Display Docking Station + Power Delivery 65W
- i-tec USB 3.0 / USB-C / Thunderbolt 3 Dual 4K Display Docking Station
- i-tec USB 3.0 / USB-C / Thunderbolt 3 Dual Display Docking Station + Power Delivery 85W
- i-tec Thunderbolt3/USB-C Dual DisplayPort 4K Docking Station + Power Delivery 85W
- i-tec USB-C/Thunderbolt 3 Triple Display Docking Station + Power Delivery 85W
- (list of more docking stations will be expanded soon)

Before purchasing and installing the holder please make sure that your monitor supports the VESA mounting standard (100 x 100 mm, or 75 x 75 mm).
