WH-CH510/L

Long Lasting Wireless Streaming Over-the-Ear Headphones

Get dynamic sound and all-day listening in a wireless headphone. The zero-compromise WH-CH510 wireless headphones feature an extra-long battery life of up to 35 hours.² 30mm drivers bring crisp, clear sound, no matter what you're listening to. Make hands-free calls with the built-in microphone, and recharge with the updated USB-C connection.

Features

Keep the music going all day

Keep your tunes playing all day long, and then some. The built-in rechargeable battery delivers up to 35 hours² of listening on a single charge.

Wireless Bluetooth® connection with NFC™ One-touch for instant connectivity

Wirelessly stream your favorite tracks with a Bluetooth®¹ connection. Pair your smartphone or tablet with these headphones and you can enjoy your music and even control playlists and volume right from your headphones.

Hear it all with 30mm drivers

Enjoy more of the detail in all your favorite songs thanks to 30mm dome drivers, which deliver dynamic sound from a compact, lightweight unit.

Swivel design makes travel easy

Take these headphones anywhere you go. A swivel design makes it simple and safe to store them when you're on the move. The earcups swivel flat for easy packing in a suitcase or slipping into a bag.

Built-in microphone for hands-free calls and voice assistant commands

Take and make calls without ever touching your phone. With a high-quality built-in microphone, you'll be able to have hands-free conversations on your smartphone with ease.³

Voice assistant at your service

Check the weather, get the latest news and more using just your voice. Press the multi-function button twice and you'll get instant access to Siri or Google Assistant³.

USB-C Charging

The next generation of recharging technology comes to the CH510 wireless headphones with USB Type C charging.
