# i-tec USB-C / USB 3.0 Internal Front panel with Audio

i-tec USB-C / USB 3.0 Internal Front panel
with Audio

PRODUCT DESCRIPTION

Advanced USB-C / USB 3.0 front panel for installation into the 3.5" slot of your computer. The panel also contains audio connectors for microphone and headphones. The USB ports on the panel interconnect to the computer's motherboard using the enclosed cable, as do the two HD-Audio connectors. The panel is all-metal, with anti-oxidising surface finish to ensure colour stability. This device enables you to use USB 3.0, USB-C and audio ports located on the front of your computer, meaning you'll never have to look for these ports on the back of your computer ever again.

Using the 65 cm long 20-pin cable, the USB connectors can be plugged into the 20-pin connector on your motherboard or onto the outlet on an i-tec PCIe Card 4x USB 3.0 (PCE22U3). The HD-Audio connectors are connected in the same way, by plugging the enclosed 60 cm cable into the 9-pin HD-Audio connector on your motherboard or an equivalent connector on a PCIe sound card.

- 2x USB 3.0 port
- 1x USB-C port
- 2x 3.5 mm HD-Audio jack (1x microphone, 1x headphones)
- Compatible with USB 3.0, 2.0 and 1.1
- Transmission speed of up to 5 Gbps
- Installation into a free 3.5" slot on the PC's front panel
- Without the need to install drivers

PRODUCT FEATURES

- 2x USB 3.0 type A
- 1x USB-C
- 1x 3.5 mm 3-pin stereo jack for microphone (HD-Audio)
- 1x 3.5 mm 3-pin stereo jack for headphones (HD-Audio)
- Supports total transmission speed of up to 5 Gbps (USB 3.0/3.1/3.2 1st generation)
- Chipset GL3520, backwards compatible with USB 2.0 / 1.1
- High-quality metal design
- Hot swap, plug and play, requires no drivers

- 20-pin USB connector, 9pin HD-Audio connector, 4-pin SATA power connector
- OS Windows XP/Vista/7/8/8.1/10, Linux
- Product dimensions: 95 x 102 x 25 mm
- Product weight: 143 g
- Package dimensions: 107 x 134 x 35 mm
- Package weight: 222 g

System requirements:

Hardware Requirements:

- Desktop PC with a free 20-pin internal USB port on the motherboard or on a USB PCIe card. Free HD-Audio connector on the motherboard or on an installed sound card.

Operating system:

- Windows XP/Vista/7/8/8.1/10, Mac OS X, Linux
