# HP ProOne 600 G6 22 All-in-One PC

# The versatile AiO for your growing business

The HP ProOne 600 22 All-in-One is a sound investment that can be quickly deployed into demanding environments with a micro-edge, anti-glare display, strong security, and comprehensive manageability features.

\*Product image may differ from actual product

### Functionality for the multi-device world

 Provide users with multiple devices options for how they work and stay productive. New flexibility is delivered by the HP ProOne 600 22 AiO that can be used as a full PC or as an additional display for another desktop or laptop PC.<sup>4</sup>

#### Sleek, modern design

 Featuring a sleek design, this AiO undergoes MIL-STD 810G testing<sup>3</sup> and still suits the front desk or an owner's office. The micro-edge, anti-glare 21.5-inch diagonal IPS display provides plenty of workspace.

### Work with peace of mind

 Security features from HP work together to create an always-on, always-acting, resilient defense. From the BIOS to the browser, above and below the OS, these constantly evolving solutions help protect your PC from threats.

### Powerful options

- Choose a high-performance 10th Gen Intel<sup>®</sup> Core<sup>™</sup> processor<sup>2</sup> and optional Intel<sup>®</sup> Optane<sup>™</sup> memory H10<sup>6</sup>, or PCIe NVMe<sup>™</sup> SSD storage<sup>7</sup> and high-speed DDR4 memory<sup>7</sup> and optional high-end discrete graphics.<sup>7</sup>
- Support a commitment to create and use more sustainable products. The highefficiency power supply, use of ocean-bound plastics in the speaker box and molded pulp packaging help reduce the impact on the environment.<sup>8</sup>
- Stop unwanted changes to security settings and help limit the spread of malware with HP Sure Run  ${\rm Gen3.}^9$
- HP Sure Recover Gen3 ensures fast, secure, and automated recovery that can be paused or retried over a LAN or Wi-Fi<sup>®</sup> network connection.<sup>10</sup>
- Traditional antivirus can't always recognize new attacks. HP Sure Sense harnesses the power of deep learning AI to identify and quarantine never-before-seen attacks, helping prevent infections before they happen.<sup>11</sup>
- Firmware attacks can completely devastate your PC. Stay protected with HP Sure Start Gen6, the self-healing BIOS that automatically recovers itself from attacks or corruption.<sup>12</sup>
- Help protect your PC from websites, attachments, malware, ransomware, and viruses with hardware-enforced security from HP Sure Click.<sup>13</sup>
- Keep productivity high and downtime low with HP BIOSphere Gen6 firmware-level automation. Your PCs have extra protection thanks to automatic updates and security checks.<sup>14</sup>
- The HP Manageability Integration Kit helps speed up image creation and management of hardware, BIOS, and security through Microsoft System Center Configuration Manager.<sup>15</sup>

HP recommends Windows 11 Pro for business
