### Manhattan Travel Adapter - plenty of power for globetrotters

Travel with confidence and keep all your devices charged with the Manhattan Power Delivery Wall Charger and Travel Adapter. This versatile all-in-one adapter is compatible with EU, UK, Australian and North American sockets, so it works in over 210 countries and locations. Its USB-C Power Delivery (PD) port delivers up to 45 W to charge a notebook, Ultrabook™ or other USB-C powered device while its three USB-A ports can fast-charge mobile devices such as smartphones, tablets and headphones with powerful 2.4 A. Need an extra wall outlet for non-USB devices? This wall charger replaces the outlet it occupies by offering a universal outlet on its front panel. All your devices are safe thanks to its functions that protect against short-circuits, overvoltage, overcurrent and overheating. Its compact and lightweight design makes it the perfect travel companion.
