HC2 DECAL EDITION STEREO GAMING HEADSET

Designed specifically for the new generation of consoles, Gioteck has created an unparalleled stereo gaming headset that delivers on features, quality and design.

The unique HCP4 ear cups offer high quality digital game sound while the mic not only delivers crystal clear chat but can be removed for when you are on the move.

This easy Plug & Play headset can be used on your console, mobile device and using the included 1m splitter cable, can also be used on your desktop PC.
