Part No.: [166720](#)

EAN-13: 0766623166720 | UPC: 766623166720

UK Power Strip with 4 Outlets - Electricity for four devices in home and office

Plug your printer, PC, router, TV or other home/office electronics into this 4-way power strip from Manhattan. It is compatible with standard electrical equipment and features four BS1363A outlets in a durable white plastic housing for a clean look. If you prefer it on the wall, you can easily mount it there through the two holes on the back of the strip. An integrated 13 A circuit breaker protects all outlets and automatically cuts power for safety, preventing equipment damage.

Features:

- Four-way power strip for standard electrical equipment, ideal for home and office use
- Integrated 13 A circuit breaker protection that shuts down all outlets in case of overload
- Built-in 2 m (7 ft.) power cord with BS1363A plug
- Mounting holes for wall mounting
- Right-angled outlet orientation
- Durable plastic housing
- For indoor use only
- Three-year warranty
