Key Selling Points

- Use the trackpad to scroll, navigate, and click, or turn it off to preserve the keyboard's battery life.
- A rigid core, rubberized edges, and corner bumpers all combine to provide 2 metres of drop protection.
- The lightweight keyboard and case detach to accommodate different uses and environments.
- Pair the Pro Keys keyboard with two devices at once and toggle between them.
- The magnetic stand attaches to the back of the case and holds your device at two convenient viewing angles.
- A magnetic flap holds the cover closed and protects the Apple Pencil or ZAGG Pro Stylus.

Compatible with the Apple 10.9-inch iPad Air (4th gen.) and iPad Pro 11-inch (1st & 2nd gen.)
