

ThinkPad P14s *i* Gen 2

POWER THAT MOVES

LENOVO'S LIGHTEST MOBILE WORKSTATION

The ThinkPad P14s *i*, Lenovo's most mobile workstation, strikes the balance between power and mobility, all within a compact 14-inch chassis. Perfect for highly mobile power users, the P14s *i* is designed with ultimate portability and performance in mind, featuring the latest Intel Core processors, NVIDIA professional graphics, and integrated X-Rite factory color calibration for outstanding out-of-the-box color accuracy.

Built with an advanced suite of ThinkShield security features and comprehensive MIL-STD testing for ultimate durability, the P14s *i* has you protected from every angle - allowing students, engineers, and designers the freedom to innovate anytime, anywhere.

Lenovo

RECOMMENDED SERVICES

Lenovo offers a comprehensive portfolio of services to support and protect your ThinkPad investment—so you can focus on your business, not your IT.

Premier Support

Bypass phone menus and scripted troubleshooting to access advanced-level technicians with the expertise needed to quickly diagnose and solve problems.

Warranty Upgrades—Onsite and Next Business Day

Maximizes PC uptime and productivity by providing convenient, fast repair service the next business day.

Warranty Extensions (1 to 5 years total duration)

This fixed-term, fixed-cost service helps you accurately budget for PC expenses, protect your valuable investment, and potentially lower the cost of ownership over time.
