[Nintendo Princess Peach: Showtime!:](#)

The stage is set for adventure in Princess Peach: Showtime! for Nintendo Switch!

### Princess Peach takes the spotlight!

Princess Peach and friends arrive at the Sparkle Theater to see a show when the wicked Grape and the Sour Bunch suddenly make their grand entrance and take centre stage. The perfect performance has become a terrible tragedy and it's up to Peach to save the play – and the day!

### A Stella performance

Use the power of the ribbon Peach receives from the theatre's guardian Stella to face off against the Sour Bunch and save the performers!

### Showstopping transformations

By transforming, Peach gains new abilities. Turn into a swordfighter to fend off the Sour Bunch with sensational swordplay or a detective to investigate clues and track down whodunit. With more stolen shows to save, many other transformations are just behind the curtain, including a pastry chef and a kung fu master!
