**Product name :** Doubleweight Matte Paper Roll, 64" x 25 m, 180g/m<sup>2</sup>

Doubleweight Matte Paper Roll, 64" x 25 m, 180g/m<sup>2</sup>

Epson Doubleweight Matte Paper Roll, 64" x 25 m, 180g/m<sup>2</sup>:

A low-cost alternative for high-resolution output, this paper is compatible with both dye and pigment ink. With instant ink drying for added convenience, this paper can also be easily laminated for a glossy-finished look and as a means of protection from excessive light and moisture. Like all Epson innovative media, this paper is engineered to give you the highest resolution and colour saturation possible. Epson's printer driver software actually optimises the amount of ink released onto the page, based on the type of paper used. As always, Epson supplies guarantee Epson quality. Doubleweight Matte Paper when facemounted on acrylic glass, using Diasec™ process, is a digigraphie certified media.

Features		Packaging data
