Absolute for Lenovo

Helping to secure your devices, data and apps.

Why Absolute?

Absolute provides patented Persistence® technology that’s embedded in the firmware of Lenovo Think-branded devices so that IT and security professionals have an unbreakable link and unprecedented control right out of the box.

Absolute is a cloud-based SaaS solution that maintains a constant device connection providing visibility to all your Lenovo devices and the ability to remediate threats.

And Absolute holds the industry distinction as the only endpoint security platform that provides an undeletable digital tether to your devices, data, and business applications — for complete visibility and control, wherever they are.
