Replacement lamp for SX930

[BenQ 5J.JEG05.001 projector lamp 400 W NSH:](#)

BenQ lamps are designed and constructed for the longest possible lamp life. Contrast this to the hit-and-miss durability of most replacement lamps, which are vulnerable to failure at any time. In addition, BenQ lamps incorporate our Lamp Care System, a sophisticated cooling system that prevents heat damage, extending lamp life and thereby reducing maintenance costs.

Finally, of course, a BenQ projector lamp is designed to work seamlessly with your BenQ projector, with design features like a protective shield that surrounds the lamp to prevent injury in the rare event of a burst lamp. To ensure that your older BenQ projector continues to deliver like-new picture quality, choose a BenQ replacement lamp.
