Logitech Group

[Logitech Group video conferencing system Group video conferencing system:](#)

Logitech GROUP – the amazingly affordable videoconferencing system for mid- to large-sized meeting rooms. Optimised for groups of up to 20 people, experience outstanding videoconferencing with crystal-clear audio and HD video of such quality that everyone in the room can be seen and heard. USB plug-and-play connectivity makes Logitech GROUP a breeze to deploy and use. Employees simply connect a laptop to conduct life-like meetings with their choice of video conferencing software. The sleekly designed full-duplex speakerphone delivers sound that's crisp, clear and heard by everyone in the meeting within a 6-metre (20-foot) diameter around the base unit.
