

## DELL 440-11013 cleaning media

**Brand :** DELL

**Product code:** 440-11013

**Product name :** 440-11013

LTO Tape Cleaning Cartridge - Kit

[DELL 440-11013 cleaning media:](#)

Many causes of recording or read errors are temporary and can be corrected by cleaning the tape drive. Regular tape drive cleaning helps in long-term reliability and should be conducted on a scheduled cycle as well as when requested by the drive. This cartridge uses the dry process cleaning method which does not involve any flammable materials and provides a clean recording gap with each use. It is specifically designed to work with all LTO Ultrium Tape Drives. This product has been tested and validated on Dell™ systems to ensure it will work with your computer. It is supported by Dell™ Tech Support when used with a Dell system.

- Corrects temporary recording or read errors by cleaning the tape drive
- Designed to work with all LTO Ultrium Tape Drives
- This product has been tested and validated on Dell™ systems to ensure it will work with your computer
