Limited space on the desktop workspace makes it difficult to get work done. Get back valuable desktop real estate with the LCD Monitor Mount with centre Mount and Double-Link Swing Arms.

The mount is constructed of durable steel and features a sturdy clamp for quick, easy and secure mounting - there's no need to drill holes into desks or countertops. Its fully adjustable tilt, rotate, side-to-side, height and tension settings enable a comfortable and productive viewing position that helps reduce eye fatigue and even neck and back strain. Plus, LCD monitors can be easily rotated around the pole to allow others to view presentations or multimedia displays from almost any direction.
