Product name : Velocity HDMI

- Extend an overall length by coupling two HDMI cables
Velocity HDMI Coupler - HDMI coupler

C2G Velocity HDMI Blue:

This HDMI Coupler (f/f) provides a perfect solution for extending your existing HDMI cable by allowing two shorter High or Standard Speed cables to be coupled together with no reduction in quality. Often, the length of cable you need can be miscalculated, which is only noticed once the cable is already installed. This cost-effective solution saves you time and money, meaning that you do not have to invest in longer cables to connect your devices that are further apart. The HDMI female-to-female coupler is compact and designed for minimal signal loss to provide a reliable, quality connection between two HDMI cables. PCB design safeguards signal integrity; gold-plated connectors.
