Monitor Mount Professional Touch Adjust

[V7 Monitor Mount Professional Touch Adjust:](#)

Position a monitor quickly and easily with the Professional Dual Touch Adjust Monitor Desk Mount from V7. Made from premium quality aluminum and cold rolled steel for durability with black matte finish, the mount can hold up to 32" displays and 17 lbs (8 kg). No more crawling under the desk as this mount installs completely from the top with easy no screw arm installation making setup the quick and easy. Featuring an advanced cable management system to keep video and power cables neatly tucked away and out of sight, and included clamp and grommet mounting options, it's perfect for virtually any workstation. The height adjustment and independently adjustable arms enable multiple viewing angles, so you can position your monitor where it's most comfortable to use. Additionally, the mount has a quick-release VESA plate to make installation easy and is backed by a 5-year warranty.
