Our Kyosei Philosophy

Kyosei is Canon's corporate philosophy and lies at the heart of our brand, business and sponsorship activities. Kyosei is a Japanese word that means living and working together for the common good – a principle that is embraced by all Canon employees. It shapes our mission and our values, the way we treat our people and conduct our business.

Beyond our company activities, Kyosei influences the way we operate within the wider community and with organisations throughout the world. We believe that being a good corporate citizen is of paramount importance and are mindful of how our activities impact on our customers, employees, partners and the world around us.
