

## Fairphone Screen Protector with Blue Light Filter

**Brand :** Fairphone

**Product code:** 000-0035-000000-0003

**Product name :** Screen Protector with Blue Light Filter

9H, Blue Light Filter

**Fairphone Screen Protector with Blue Light Filter:**

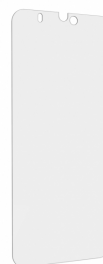

We're on a mission to help your Fairphone 3 last as long as possible!

Our screen protectors are designed to do just that. The 9H tempered glass is highly durable, providing excellent scratch resistance and even protecting against low-level drops. A special surface coating reduces fingerprints, and the curved edges round out the discrete design. Our screen protectors come in two filter-versions (blue light & privacy); both are easy to apply and remove.

This screen protector filters out harmful blue light to offer triple the protection: It protects your screen from scratches, protects your eyes from strain, and protects your sleep while maintaining your screen's colors.

Made of Accessory Glass 2 by Corning® material.

Compatible with Fairphone 3 and Fairphone 3+.
