PanzerGlass™ CamSlider® Privacy Screen Protector Apple iPhone 12 Pro Max | Edge-to-Edge

PanzerGlass ™ CamSlider® Privacy Screen Protector Apple iPhone 12 Pro Max | Edge-to-Edge:

Prying eyes? No thanks. Privacy? Yes please. This PanzerGlass™ DualPrivacy™ screen protector has a built-in CamSlider™ allowing you to block your camera, as well as a specially designed privacy filter that renders the content of your screen virtually invisible to people sitting next to you.

Accidental bumps against sharp-edged dangers in your pocket or crushing falls onto stone-hard pavements are also no match for this scratch and shock-resistant screen protector. It even has a smudge-free coating with antibacterial effect that reduces traces of fingerprints and kills up to 99.99% of all common surface bacteria.

The Edge-to-Edge screen protector covers the entire front surface of your phone, while leaving room for a case.
