

## Thrustmaster ESWAP X S5 NXG Controller thumbstick

**Brand :** Thrustmaster

**Product code:** 4460190

**Product name :** ESWAP X S5 NXG

ESWAP X S5 NXG MINI-STICK MODULE

[Thrustmaster ESWAP X S5 NXG Controller thumbstick:](#)

Thrustmaster is pleased to offer the ESWAP X S5 NXG MINI-STICK MODULE for ESWAP X PRO CONTROLLER for sale individually, for gamers who want to start fresh once they've gotten through their original module's life cycle of more than 2 million activations, or have lost or broken their mini-stick module.

This new next-generation (NXG) mini-stick provides enhanced precision and a longer lifespan in relation to previous Thrustmaster mini-sticks.

Gamers will enjoy better physical resistance (+33%), improved re-centering precision (+66%), and double the lifespan for the built-in mini-stick button (+100%), compared with previous mini-sticks in Thrustmaster's range of gamepads.

This is the best way to get your ESWAP X PRO CONTROLLER into top form, without having to purchase a whole new controller.

This product is officially licensed for Xbox Series X|S, and is also compatible with both Xbox One and PC (Windows 10).
