[Thrustmaster 4060203 gaming controller accessory Paddle replacement kit:](#)

The Thrustmaster Formula Wheel Add-On Ferrari SF1000 Edition (sold separately) is an incredibly versatile wheel, thanks to the ability to swap out its paddle shifters. For even smoother gear shifting (bounce time of less than 5 milliseconds), the T-Chrono Paddles paddle shifters are a great alternative providing a different feeling that could help some drivers to shave valuable milliseconds off lap times. The transmission made possible by these additional paddle shifters — featuring switches with gold-plated silver contacts — results in even lower contact resistance, for a completely unrivaled, super-responsive gear-shifting feel. The Thrustmaster T-Chrono Paddles paddle shifters are designed for use with the Thrustmaster Formula Wheel Add-On Ferrari SF1000 Edition wheel.
