Mounting Bracket for Streaming Boxes and Media Players

[Manhattan Mounting Bracket for Streaming Boxes and Media Players, Lifetime Warranty, Retail Box:](#)

Behind-the-TV Stream Box / Media Player Mounting Bracket – hide a streaming device and cables on the back of the TV

For a clean, organized look in your home theater, you have to hide the cables and equipment. The Manhattan Mounting Bracket for Streaming Boxes and Media Players helps you easily secure and conceal your Apple TV®, Roku®, Xiaomi®, Raspberry Pi®, TiVo® or other streaming box / media player and its cables behind your TV. It supports a weight capacity up to 5 kg (11 lbs.) and can mount to your television's VESA pattern. Two included safety straps offer extra security. If your TV is installed on the wall using a VESA mount, you can attach the bracket to the same wall mount. The Mounting Bracket is also great for hiding a router, repeater, slim gaming console or other similarly sized device. Installation is as simple as it sounds with all materials included.

Features		Weight & dimensions	
Brand compatibility	Universal	Width	302 mm
