The power of less

The One Near Invisible Cable minimises clutter by using a single cable to connect your TV to various sources, including the power cable. Experience the power of less.

Make space for your interior

Connect your devices to the Attachable Slim One Connect Box* with the long 5m One Connect Cable and place all of your connections out of view.

Goodbye to messy wires

With just the one cable connected to your TV, you no longer have a mess of wires trailing down from your TV.

Slim One Connect Box

Now your devices can be connected in one place. Gather and connect all your devices to the Slim One Connect Box, and hide them off to the side.

High Performance Cable

Manage everything - including the power cable - with just one cable. The One Connect Cable delivers high-speed data transmission, letting you experience full 8K and 4K video quality without interruption.
