Brother Direct Thermal Continuous Label Roll:

Direct thermal label printing

The BDE-1J000102-102 label roll can support a range of continuous printing applications in pharmacies, transportation and logistics and food traceability without the need for ink or toner.

With a roll length of 58m, you can easily print barcode labels with text and logos from your compatible Brother label printer.

By choosing a Certified by Brother International Europe label roll, you'll ensure that your direct thermal label printer continues to work at its best.

The Brother BDE-1J000102-102 continuous white labels are suitable for a wide range of labelling applications.

Printing continuous direct thermal labels 102mm in width, this supply is perfect for printing medicine labels, shipping labels, pallet labels and food ingredient labels. Cannot be bought individually as it is delivered in packages of 8.
