Canon FA-SM2 photo paper A3+ White Smooth:

A professional high-quality A3+ fine art paper for Canon professional inkjet printers, providing images with superior black density, precise tonality in dark areas and a wide colour gamut.

Canon Premium Fine Art Smooth A3+ paper is developed to produce a deep, rich black by fixing the pigment close to the surface of the paper with its original coating method. Combined with genuine Canon LUCIA PRO ink in which the ink formulation has been optimised, resulting prints are rich in colour and black density. Thanks to the paper's 100 percent cotton base, image longevity and high durability are assured.
