

Logitech Z120 Compact Stereo Speakers

Brand : Logitech

Product code: 980-000513

Product name : Z120 Compact Stereo Speakers

Stereo Speakers Z120

Logitech Z120 Compact Stereo Speakers:

Logitech® Stereo Speakers Z120 make it simple to connect just about any audio source. They get power from the USB port on your laptop or netbook and receive audio through a standard 3.5 mm plug, like the headphone jack on your MP3 player. So it's easy to enjoy your favorite music, videos and more. With integrated power and volume controls, it's a snap to get the sound you want. The compact size doesn't take up a lot of room on your table or desk, so it's easy to move your speakers from room to room. And the cable management system helps eliminate cord clutter.

Logitech Z120 Compact Stereo Speakers. Recommended usage: PC. Audio output channels: 2.0 channels, Number of drivers: 2. Connectivity technology: Wired. RMS rated power: 1.2 W. Product colour: White
