Genuine Brother LC225XLC Ink Cartridge – Cyan

Brother LC225XLC ink cartridge 1 pc(s) Original Cyan:

All Brother cartridges - including this LC225XLC high yield ink cartridge in cyan - are rigorously tested to ensure they provide customers with the most consistently reliable solution possible.

Though cheap, non-branded refill cartridges are widely available, they're simply not as compatible with your Brother printer. This can lead to issues with both printout quality and your machine's performance - and these problems can sometimes prove costly to put right.

This genuine LC225XLC replacement ink cartridge ensures your printer continues to run glitch-free, providing you with better value in the long-term plus the peace of mind that comes from knowing you have a printing setup you can depend on. Designed to last much longer than a standard cartridge, this high yield ink goes further without any loss of quality.
